About me:

I'm a young designer and aspiring developer who love beautiful things! I always try to see and do things differently. This involves a lot of research and an unique work process. My work is always full of small details hidden but pleasant when they are discovered.

Aim:

To create beautiful and meaningfull interactions and experience that the user will fall in love with.

Education:

Symbiosis Institute Of Design (B.Design)

June 2012 - March 2016
Pune, Maharashtra

St. Thomas Residential School (ISC)

June 2010 - March 2012
Trivandrum, Kerala

Pallikoodam / Corpus Christy (ICSE)

June 2000 - March 2010
Kottayam, Kerala

Skill Set:

I have a passion for identifying, scrutinizing, improving, and streamlining complex work processes through highly organised thinking and analysis. While my main strength lies in communication, I am also a flexible team player who thrives in environments requiring ability to effectively prioritize and juggle multiple concurrent projects. I find great joy in learning and experimenting new things and exploring the unknown.
